ZAKAT E FITRA:

It is obligatory for everyone to give **Zakat e Fitra**.

Imam Jafar al-Sadiq (AS) said, "One who fast during the Holy Month of Ramadhan and intentionally does not give fitra, is like the one who has not fasted." Zakat-e-Fitra is to give three kilos of wheat or barley, whichever is consumed as your normal daily food. It is also permissible to give cash value which is about \$8.00/person.

The Fitra should be given to needy SHIA. However if one does not have access to needy person, you may give to SANA. The organization will distribute the funds to the needy Shia.

Baitul Qayem operating expenses are escalating due to an increase in utilities, cleaning services and maintenance costs. It is vital that we all contribute in controlling the expenses.

Here are some of the ideas and suggestions:

- * Close the doors behind you when you enter and leave the building.
- * Switch off the lights when not in use.
- * Thermostats are set for the best comfort for all. Please do not change the settings.
- * Do not waste food. Please do not forget the less fortunate in other parts of the world.
- * We are all responsible to keep the facilities clean.
- * Please do not leave any leftover food inside the refrigerator and oven.
- * Your help is needed in covering the operating expenses during this Holy Month.
- * Please contribute generously.

MAY ALLAH GIVE US THE REWARD FOR OUR GOOD DEEDS. AMEEN.
